- Our staff are caring, trained professionals with a commitment to quality care.
- Our program nurtures the healthy growth of each child individually and socially.
- Our facilities at Windsor Park School provide a safe, stimulating environment in a convenient location.
- Our not-for-profit status means that your Early Learning and Care dollars go directly to the program and the staff who deliver it.

## **OUR PROGRAM**

- Offers safety, security and stability for your child
- Based on the Reggio Philosophy.
- Focus on One Hundred Languages of Learning.
- Encourages your child to direct his or her own play.
- Encourages wonder, discovery and exploration.
- Fosters your child's individuality and self-worth.
- Develops collaboration and negotiation skills.
- Develops responsibility, independence, and self-reliance.
- Prepares your child for a formal school program.

## **OUR FACULTY**

- The permanent teachers are graduates of accredited post secondary child care training programs.
- Are professionals committed to children and their quality care.
- Understand and have the skills to meet and challenge the developmental needs of your children.
- Are accredited and current in CPR and first aid.
- Value continued professional development
- Members of the Alberta Child Care Association.

## **THE EXTRAS**

- Nutritious hot lunches and snacks prepared by our staff cook.
